

+ Have us Manufacture Your Ski Line

Community Skis offers light scale manufacturing for companies who want to market their own line of skis. If your focus is currently marketing, sales, distribution and customer service, we offer wholesale pricing that includes your own custom graphics, your own ski shapes and a 1 year straight from the factory warranty program.

Our Pricing is Simple

Design a ski shape and have it built. It gets placed in your portfolio for wholesale pricing thereafter.

\$550

Design a graphic package. It can be used for any ski shape in your portfolio.

\$200

Wholesale pricing as low as \$420 a set

You can build your company portfolio to include as many ski shapes & graphic packages as you'd like.

Create Your Company Portfolio

You start by introducing a ski shape into your company portfolio. A ski shape is fully customizable and includes every significant design aspect of the ski tailored to your specifications.

Next you introduce a graphics package into your company portfolio. A graphics package can be submitted by you as a .psd file or you can work in collaboration with our in-house design team in which case we will produce and you'll proof your design.

American Manufacturing

We're building for your company

Steps for setting up your company portfolio

- Step 1:** Design your ski shape. We will provide a detailed specification and performance sheet at each phase of the design process.
- Step 2:** Submit your ski shape to your company portfolio. Cost \$550
- Step 3:** Design your graphics package and submit as .psd file -or- work with our in house design team and we'll provide proofs until you finalize your design.
- Step 4:** Submit your graphics package to your company portfolio. Cost \$200
- Step 5:** Community Skis builds your ski shape with your graphics package and ships.

Steps for Wholesale Purchasing

- Step 1:** To place an order, use your company portfolio order sheet to choose the combination of ski shapes and graphics packages you want.
- Step 2:** Determine the total number of sets of skis you'd like to purchase and go to the appropriate wholesale bracket to get the per set price.
- Step 3:** Submit your order and Community Skis will send you an invoice. Shipping and tax when applicable will be applied.
- Step 4:** Once payment is received in full, your skis will go into production.
